Thanks Dennis. I've Cc'd Alex's district staff on this email. My understanding is that the Region is doing an office wide event/training so I haven't been able to figure out exactly what the Regional Administrator's schedule is. Hopefully Doug and Marilyn in the region can help set this up?

Thanks Dennis, Molly, Doug, and Marilyn,

Hi Christian - Congressman Poliquin would like to speak with Administrator Dunn about the WQS issue within the next couple hours if that is possible. I have CC'd the Congressman's scheduler, Molly Stevens, on this email. Does Administrator Dunn have a few minutes this evening? Sorry for the late notice.

Very best,  
Dennis

Hoping to connect on this issue with you ASAP. The deadline for interior approps amendments is tomorrow morning and my boss is interested in addressing this issue in the bill.

Please let me know if you have time today.

Hi Christian,

Hope you had a good 4<sup>th</sup> of July.

Do you have some time to connect on the Maine WQS issue? I am hoping to get an understanding of how Administrator Pruitt's resignation will impact the settlement discussions.

Very best,  
Dennis

Dennis,

I apologize for my delay in getting back to you on this... Somehow EPA's mail system had some issue so that we could not receive incoming mail for the entirety of yesterday.

I have been checking in with our Region and I think the call may have gotten canceled or pushed back again. As I understand there may be a meeting in the region about this issue this afternoon, but I am working to get this confirmed for you, hopefully by COB today or early tomorrow. I'll let you know as soon as I know anything for sure.

Sorry again for the lack of information on this and I understand the importance of this issue to your boss. I will let you know as soon as I do.

Hi Christian,

Great to meet you and Administrator Dunn as well. Thank you for sending along the grant information so quickly. I will make sure the Congressman gets a copy.

Please let me know if you have time to connect on Friday or early next week regarding Administrator Dunn's meeting with Maine AG Mills. This is an important issue for the Congressman and I know he would appreciate any update you are able to provide.

All the best,

Dennis

Dennis,

Pleasure to meet with you and the Congressman this morning. I wanted to follow up on the Brownfields grants that went to Maine. Attached you will find a document with information related to each of the Brownfields grants awarded to your states.

Please let me know if you have any additional questions, and I will be sure to update you on anything else I hear related to the other aspects of our conversation this morning.

Best,
